

Lake District Breaks

The trauma of losing a child, or having a child with serious health issues, can leave parents and sibling children with a need to just get away from things and spend some quiet time together. **TeamEvie** offer families this chance to get away through the provision of a holiday cottage in the Lake District where they can hopefully find some peace and tranquillity in the beauty of the surrounding countryside.

This opportunity has already been provided by **TeamEvie** for three families through sponsorship from a funeral director who has offered to sponsor five more. However, there will be opportunity for further sponsorship in the future for anyone willing to offer their support to families in need.

Costs vary from around £250 up to £500 depending on whether the length of break needed is a weekend or a few days. **TeamEvie** also place in each cottage a hamper made up of locally sourced and home-made products to give families a taste of Cumbria and a little home comfort. These hampers offer another opportunity of sponsorship either as part of an inclusive package, or as a separate item, and cost around £100.

If you would be interested in sponsoring a Lake District Break and having your name added to our database please get in touch.
