Sponsorship Opportunities

Here at **TeamEvie** we have lots of opportunities for businesses to be involved in helping us to make a difference! Events such as the Evening for Evie, the annual 3 Peaks Challenge and the James Graham Sportsman's Dinner require not only a great deal of organising but good support and funding. If you are willing to get involved we would be delighted to welcome you as one of our official Business Partners.

We will always sing your praises on our social media pages for helping us out and we know that businesses who have supported us have benefitted from the positive press we have given them! If you would like to get your business involved with **TeamEvie** through sponsorship, support or by supplying us with items to help our work please get in touch via info@teamevie.org and we can let you know what opportunities are available!

Contact TeamEvie for further information.
